

To our next President...

After this course, what would you like to say to our next President about saving what you love?

YOUR MISSION

To post a short video on our Facebook page!

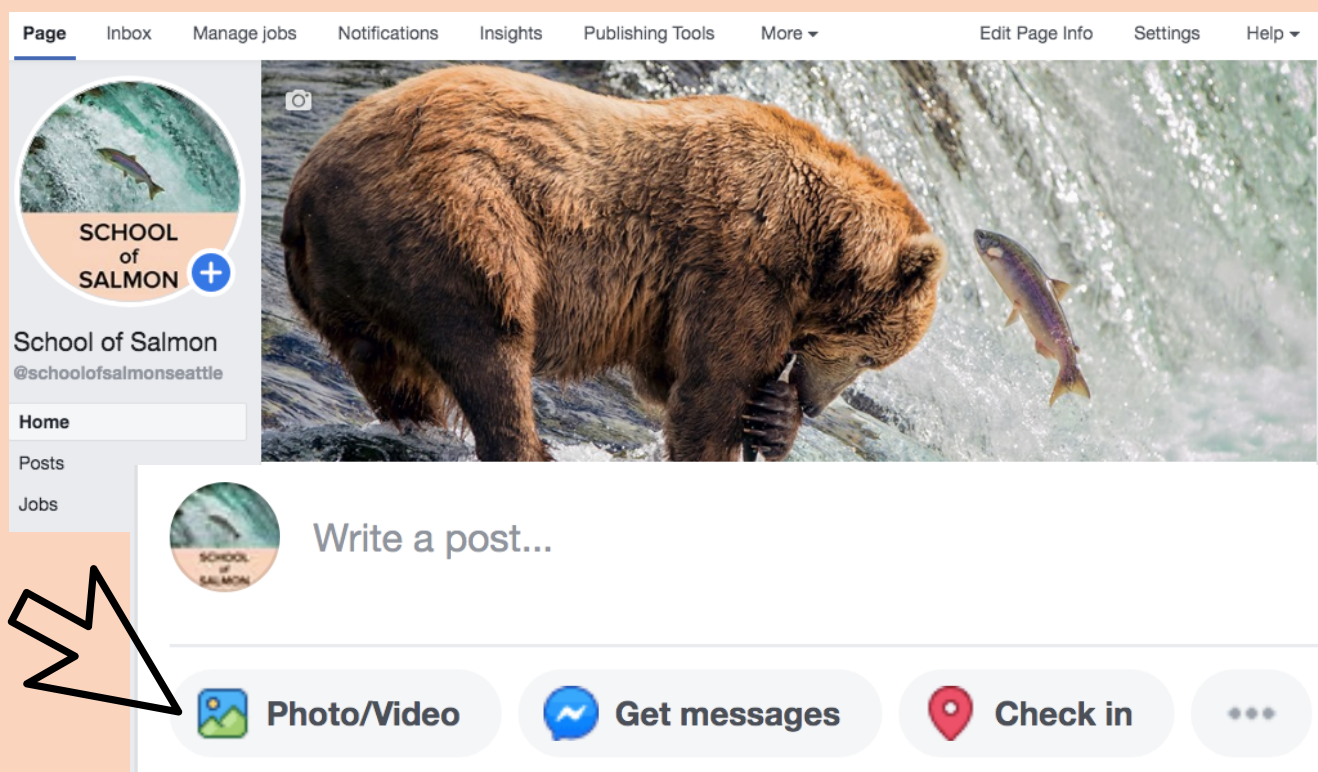

IT'S SIMPLE...

1. Make a short video

Film yourself (or ask someone to film you!) in portrait/vertical to tell the future President how important it is to save what we love or why wild salmon matters!

Try and keep it short - between 10 and 20 seconds!

2. Post your video

On our Facebook page, post your short video in the "Write a post" box with the title "To our next President" and the hashtag #savewhatyoulove!

♥ [/theschoolofsalmon](#)

Don't forget to tag your school or tell us where you're from!

3. Share your post!

Share your post with your friends and family and invite them to join the challenge!

WILL YOU RISE TO THE CHALLENGE?
